Sunday 10:00 am.....Bible Classes
 11:00 am.....Worship
 5:00 pm.....Worship
 Wed. 7:00 pm.....Bible Classes

WELCOME, VISITORS!

We are so glad you are here. If this is your first time with us, here’s what to expect. We seek to worship according to the New Testament pattern. As a result, we **sing** without the accompaniment of mechanical musical instruments (Eph. 5:19; Col. 3:16). We have a weekly observe the **Lord’s Supper** (cf. Acts 20:7) which consists of unleavened bread and fruit of the vine (Matt. 26:26-29). This memorial is designed for those who have been baptized for the remission of sins to partake (Acts 2:38, 42). There will also be an **offering** collected from our members (1 Cor. 16:1-2). As our guest, you are not expected to make a donation. Feel perfectly comfortable passing the collection plate down the row. You will also hear the **preaching** of a Bible-centered message (Acts 20:7) and men leading the congregation in **prayer** (1 Tim. 2:8). We think you will find our worship meaningful and refreshing as we strive to do it in spirit and in truth (John 4:24). We encourage you to observe carefully and stay a while afterwards so that we can get to know you better and answer any questions you may have.

Don't Stop

When I was taking lessons to learn to fly an airplane, I learned early in the training that in order to keep it flying you had to keep your speed up. If you didn't – down you would go.

Christianity is much like an airplane – **WHEN YOU STOP – YOU DROP!**

- * When you stop praying – you go down!
- * When you stop studying your Bible – you go down!
- * When you stop meeting with the church – you go down!
- * When you stop being involved – you go down!

No wonder Paul wrote, “Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord.” (1 Cor. 15:18) What was the one talent man’s problem in Matthew 25? **He did nothing!**

Whatever you do – don't stop or you'll drop.

Trees Teach

The trees are a part of God's great creation and can teach us many great things about living a life for God. Here are some lessons we can learn from them.

Have a solid foundation. Just as trees spread out a root system for support, so we should have a solid foundation in Christ.

Point to God. Trees are constantly pointing heavenward. Likewise, we should point to God in everything we say and do.

Keep growing. Every healthy tree grows a little more each year. Let us be concerned about growing and maturing in our Christianity more and more each year.

Branch out. As trees continue to spread out mighty branches, so we should endeavor to increase our levels and areas of service for the Lord.

Be sound of heart. Many trees that die do so because of insects or disease rotting them from the inside out. We must always be checking our heart as that is usually where our problems begin.

Be flexible. Trees allow their branches to bend to keep from breaking under weight or wind. We, too, must adapt to changing situations while remaining faithful to the Lord.

Benefit others. Trees give fruit, shade, oxygen, protection, and timber for the benefit of others in the world. In like manner, we should use our lives to help and bless many others in the name of Jesus.

Trust in God. Trees depend upon God for everything concerning their existence. We must fully rely upon God and trust in Him implicitly, as well.

"Blessed is the man who trusts in the LORD, And whose hope is the LORD. For he shall be like a tree planted by the waters, Which spreads out its roots by the river, And will not fear when heat comes; But its leaf will be green, And will not be anxious in the year of drought, Nor will cease from yielding fruit." (Jer. 17:7-8)
